AQUATIC TIMES SWIM ACADEMY- CLINICS

CANCELATION OR UNUSED CLINIC/LESSONS POLICY: (READ CAREFULLY)

If at anytime for whatever reason a clinic is not completed as scheduled due to your decision, ATSA will NOT refund any part of the session(s) fees, as we have scheduled a coach and still have to pay that coach AND because we scheduled your child(ren) in a specific time slot and, in some cases, have not allowed another swimmer on our waiting list to have that time slot. The only exception is for catastrophic event or severe, debilitating illness or physical inability.

You are assigned specific days and time slots based on your needs or our availability. If you are late, we can only teach within that time slot assigned to you. We CANNOT carry over into the next class time in order to give your child their full time allotment.

No make-ups are available in the case of clinics, group or semi-private lessons. Therefore, no refunds are available for missed classes. Make-ups are only available for **private lesson** participants **IF** the swimmer's and instructor's schedules can be matched up, but is not always a given, so please **DO NOT EXPECT** make-up lessons or a refund for missed private classes. However, if ATSA directors/instructors cancel lessons, an effort will be made to set up make-up classes, or refunds will be given if you are not able to schedule make-ups lessons.

I, _____ (print name), parent/guardian of

[swimmer(s) name(s)] _____ (print),
have read thoroughly the above policies, agree with and will abide by them.

~**VERY IMPORTANT** – Please **MAKE SURE your child has gone to the bathroom before class** so they won't miss what is being taught.
